## **Wilmington Welcomes NE Cape Fear Exploration and Lorelei to the Downtown River Front**

Wilmington, N.C.— In past tradition, “Bells were rung, cannon fired, with wild enthusiasm” to greet new ships as they arrived into the port of Wilmington. The Greater Wilmington Chamber of Commerce on May 30th, 2007 invites you to join us in keeping with this maritime tradition to welcome NE Cape Fear Exploration Inc. and Lorelei to our waterfront.

NE Cape Fear Exploration and Lorelei are located on the Conlon Pier, directly behind the Chamber of Commerce. They are the first boat charter business to be granted a commercial license to operate from the Wilmington Riverwalk. They offer the community a unique service to those who wish to explore the historic and beautiful Northeast Cape Fear River or enjoy an intimate sunset cruise on the Wilmington waterfront.

NE Cape Fear Exploration invites you to come and celebrate the transfer of Lorelei’s official port of call from Norfolk, Virginia to Wilmington, North Carolina. The christening and ribbon cutting will be held directly behind the Wilmington Chamber of Commerce at four pm on May 30<sup>th</sup>.
